FAKE REMOTE JOB OFFERS

How to spot a fake remote job offer

Swipe →

SIGN 1

They ask you to pay for equipment, training or a deposit.

Real employers don’t.

SIGN 2

They only interview by text chat and refuse a video call.

SIGN 3

The offer arrives before any real conversation about the work.

SIGN 4

They send a check and ask you to forward part of it.

SIGN 5

The email address doesn't match the company's website.

SIGN 6

They ask for your ID or bank details before anything is signed.
